

## WILL GO IT ALONE FOR RESERVOIR

### Council Appropriates \$56,000 For Parley's Canyon Dam.

### SESSION LASTS 11 MINUTES

### STREET AND WATERWORKS FUNDS SUFFER.

It took the city council just eleven minutes last evening to meet, appropriate \$56,000 for the preliminary work on the storage reservoir in Parley's canyon, adjourn and permit more than one member to attend the prize fight at Walker's field.

There was no debate upon the matter. Councilman Fernstrom moved that \$75,000 be appropriated for the project, which is to cost about a quarter of a million dollars. Councilman Tuddenham amended the motion so that \$56,000 be appropriated for this year's work. Councilman Fernstrom accepted the amendment and the roll was called. Councilmen Thomas and A. J. Davis voted no; the famous eight, with Councilman Sharp, voted in the affirmative. With Councilmen Hewitt, Black, Daver and Vigus absent and not voting, President Cottrell then announced the motion had been carried and the motion to adjourn was passed unanimously.

Twenty thousand dollars of the appropriation is intended for the preliminary work, which includes cleaning the basin of the reservoir, changing the wagon road and putting the site generally in condition for the conservation of water. The remaining \$36,000 will be expended upon the concrete foundation.

### Very Solid Foundation.

At its base the foundation will be about 150 feet long, thirty feet wide at the bottom and 125 feet at the top. At the top the dam will be about 600 feet long. The foundation or concrete part of the dam will be between thirty feet and forty feet high. About thirty feet of the steel facing and fill in behind it. It is not expected that the concrete will be more than able to put in the foundation this year. Next year it is hoped to place in position a part of the steel facing and fill in behind it. Directly behind the steel facing there will be ten feet of dirt to act as a bumper and next to it will be the rock. The concrete will be the money for the preliminary work will be raised by reducing the street tax levy one mill and applying it to the reservoir fund. The remainder of the \$56,000 will be taken from the waterworks fund, which will cripple the department just that much next year in the laying of new water mains and the repairing of the old ones.

## PERSONALS.

Mrs. Daniel Stewart, a pioneer woman who came here in 1852, is lying at the point of death in her home, 92 West Third North street.

H. P. Clark of San Francisco has been appointed assistant to the city engineer. Clark is a native of San Francisco, who formerly held that position here, has been transferred to San Francisco.

John Chisholm, who went to Peru to enter the employ of A. W. McCune's Cerro de Pasco copper mine, has returned. He has decided not to move his family down there because of the lack of schools and the unwholesome surroundings.

## AMUSEMENTS.

The attendance at the Salt Palace was rather slim last night, but those present enjoyed a great treat by Magician Canning. Canning can easily be classed with the best in the country when it comes to performing sleight of hand and magic art tricks. He was entertained time and time again and won the audience by his grace and easy way of performing. Tonight at 7 o'clock he will drive through the streets blindfolded.

### TABERNACLE RECITAL.

At the tabernacle organ recital this afternoon the following programme will be rendered:

## WILL GO IT ALONE Farmers' Ward Does Not Want to Be Annexed to Salt Lake City.

Farmers' ward will not be annexed to Salt Lake City. At least, not for the present. The people of that district met last night and voted unanimously against annexation. They decided that they were better off as they were, rather than being taken into Salt Lake. The meeting was held in the Fort-tenth district school house. There were several hundred people present to participate in the discussion of what should be done, and, as the subsequent vote showed, they were all prepared to vote against the proposition that resulted in the calling of the meeting.

Amos Gabbott was elected chairman of the assembly and Thomas R. Vissling was made secretary. The discussion on the subject was long and animated, but all against the annexation. The crowd that favored annexation was conspicuous by its absence from the meeting. It developed that even those present who had signed the call for the meeting were opposed to casting the lot of the district with that of Salt Lake.

One argument made against annexation was that the district would derive no benefit from the city by an annexation that it did not want and such a course would only mean an increase in taxes for the residents of the ward.

Then the matter of the water rights of the residents of the ward was discussed and made an issue against the proposition.

It was set forth that matters were almost in shape for the organization of the Parley's Creek irrigation company, and that by this organization the individual rights of the residents would be protected. It was argued, on the other hand, that should the district become a part of Salt Lake, these rights would be lost and there would be trouble about individual rights.

Then the vote was taken. It was unanimous that the Farmers' ward should remain aloof from Salt Lake City.
